These visitor rights are tied to possession of an entry ticket and to the day for which you have purchased the entry ticket. There is no guarantee that a given competition will take place on a given day, even if a specific date and competition is printed on the ticket.

In case you decide to purchase arena tickets (Stands A-B) you may, of course, visit the track; however, with a track ticket you do not have the right to enter the stadium. General admission tickets are valid for all competition days. We also point out that no seats are available in the Kontiolahti Biathlon Stadium because it is not possible to install seats for organizational reasons. Therefore, no tickets for seats are available. Please also note that for security reasons we only have limited spaces for wheelchairs in the Kontiolahti Biathlon Stadium, in the stands and along the track.

4. No recall or return rights

Check your ticket purchase carefully. Purchased tickets can not be exchanged or refunded.

5. Event Dates/ Event Date Shifts/Cancellations

a) The athletic events which take place in the Kontiolahti Biathlon Stadium are open-air events and therefore the individual competitions can be influenced by the weather. In addition, in carrying out the athletic events and the individual competitions, we are bound by the national and international standards and regulations of the athletic sports organizations. The dates and times for the individual competitions during an event listed on our homepage and on the order forms are, therefore, non-binding and can be changed (to another time or date, or canceled entirely) due to weather conditions (for example temperatures below 20 degrees Celsius, fog or heavy snow), or upon the instructions from national or international sports associations.

b) Thus, each purchased ticket only provides a right to enter the Kontiolahti Biathlon Stadium as a visitor in compliance with the ticket category and on the day for which you have purchased the ticket (in the case of general admission tickets during the entire event), but does not guarantee that a specific competition will take place on that day. Thus, if the start time for a competition is changed, you can, of course, participate in the competition as a spectator. If, however, the competition is moved to another day, you can only participate as a spectator and enter the event grounds if you have also purchased a ticket for that day.

c.) You are obligated to inform yourself in advance of exact competition schedule and start times for the scheduled competition for which you have purchased tickets. You can obtain the current relevant information on our homepage www.kontiolahtibiathlon.fi.

6. Parking and Transportation to the Kontiolahti Biathlon Stadium

a) During large athletic events (such as the World Cup) within limits, the Kontiolahti OC will provide free parking and provide a free shuttle service from these free parking lots to the Kontiolahti Biathlon Stadium.

b) Providing parking spaces does not, however, grant visitors the right to a parking space and Kontiolahti OC does not have any obligation to supervise the parking lots, or liability for damages caused to cars parked in these lots. The Kontiolahti OC has no liability for damages caused by unauthorized persons. This applies in particular to damages, destruction or theft of the parked car or built-in or removable property from the car (such as a car radio, or valuable objects) and things attached to the car by third parties.

c) Providing the free shuttle service to the Kontiolahti Biathlon Stadium does not establish a right to transportation in general or at certain times. Travel to the events should be commenced in a timely fashion because, especially shortly before the competition begins, there can be significant delays. Kontiolahti OC is not liable for late arrivals to the Kontiolahti Biathlon Stadium.

7. Liability of the Kontiolahti OC

Kontiolahti OC is only liable for damages if Kontiolahti OC, its representative agent or assistant acted intentionally or with gross negligence, not with simple negligence. This limitation of liability does not apply in the case of loss of life, bodily harm, or damages to health or intentional damages to essential contractual obligations. These are obligations whose completion makes the completion of the contract possible and on the regular completion of which the contracting party can rely.

8. Admission to the Event Grounds, Stadium Regulations

The Stadium Regulations which are posted at the event grounds apply to the entry to the event grounds and to conduct on the grounds during and after the event. The Stadium Regulations are a portion of these General Sales and Event.
